## *Spring into Creativity*

In this issue of the Vitamix Affiliate Newsletter we go into what you have been creating over the year and what you are making now!

As always, check out our current and upcoming promotions for Vitamix.com. Remember to always be checking your email for information on promotions from Commission Junction! Page 2.

We want you to submit your blog posts, videos, and recipes that include Vitamix to share your unique creations to our community. Page 3.

What can you make in your Vitamix? Most of us are practicing social distancing at home and need new, fun, and creative ideas to make in our Vitamix. We want you to make some items you wouldn't normally make and share with your friends, family, and community. Page 4.

*Send Us Your Recipes!*  
*We want to feature YOU!*

Do you have a great Vitamix blog post or video? If so, send it to [affiliates@vitamix.com](mailto:affiliates@vitamix.com). We want to give you a chance to be featured in our newsletter “Handpicked by Vitamix – Recipes of the Week”. If your blog post or video is selected by the Vitamix Marketing team it will be the first recipe in the newsletter and will include a link to your post and your name/site’s name.

This newsletter gets sent out to over 300,000 readers! Some of our affiliates that have already been featured have reported **10,000 UNIQUE VISITORS** to their site when their post was featured in the Recipe of the Week newsletter.

These can be old articles/videos or brand new, however, they must contain Vitamix.com links from Commission Junction and be live somewhere on the internet. Submitting your posts/articles/videos does not guarantee that your work will be featured. All features are to be decided by the Vitamix marketing and affiliate teams.

We are currently looking for articles on “quarantine” ideas (i.e. Staying Healthy at home, easy meals for the family breakfast/lunch/dinner, and DIY products) and fresh spring recipes.

## Fun DIY Recipes in Your Vitamix, That aren't Just to Eat!

While we are all practicing social distancing and staying at home, it can get boring doing the same old routines. Everyone is out looking for new fun things to do and DIY projects! What can you create in your Vitamix for better health and fun other than food? We challenge you to make some new items in your Vitamix and encourages others to try too! Whether it's beauty products, natural remedies, DIY gifts, or family fun! It's even better when you can use household items and not even have to go to the store.

Check out these articles on Vitmaix.com for inspiration or copycat ideas! These include facemasks, hair masks, gift ideas, Play Dough, spa products, and more!
